This celebrated medicine has won a deserved-

y high reputation as an alleviator of pain and a

preserver of health. It has become a household remedy, from the fact that it gives immediate

and permanent relief. It is a purely vegetable

preparation, made from the best and purest ma-

terials, safe to keep and to use in every family. It is recommended by physicians and persons of

all classes, and to-day, after a public trial of

thirty years-the average life of man-it stands

ness over the wide world. Its large and in-

creasing sale affords positive evidence of its en-

during fame. We do not deem it necessary to say much in its favor, as one small bottle will do

more to convince you of its efficacy than all the

advertisements in the world. Give it one fair

trial and you would not be without it for ten
